Free Powerpoint templates and Google Slides themes for your presentations

“The more strikingly visual your presentation is, the more people will remember it. And more importantly, they will remember you.”

Paul Arden

Design **makes information clearer** and it's also a medium for persuasion.

Good visuals will **keep the audience engaged** and make your points easier to understand.

Create meaningful content, and use these free presentation templates to give your public a beautiful and memorable experience.

Verges presentation template

Enjoy this fun template with a big city skyline as an illustrated background motif. Your presentations won't be boring no more if you alternate your slides with the different backgrounds included: choose between sunrise, day, sunset or night.
